At Babel Music XP, we listen to each other and respect one another.

- 1 • Responsible waste management and sorting
- 2 • Promoting the circular economy in production practices and uses
- 3 • Responsible and locally sourced catering

- 5 • Prevention, awareness-raising and risk-reduction actions in festive environments
- 6 • Responsible communication

- 8 • Solidarity and inclusion among audiences and within teams
- 9 • Training and raising awareness among teams on combating sexual and sexist violence, as well as all forms of discrimination

The Latinissimo association is a member of COFEES and a signatory of the Drastic on Plastic charter.

Babel Music XP is a space of respect and conviviality where no form of discrimination or violence is tolerated. A sensitization program and a protocol for welcoming and assisting victims of violence is implemented during the evenings when there are showcases with the participation of SAFER.
